Shepherd Center: 7th floor balcony, (signage will be posted)

Dear Fellow Members,

For the past 3 years APPA has held our annual Picnic in a Park. Unfortunately, they have been on the North East side of Atlanta limiting many of our active members from attending. Maybe we will see someone in person, other than Zoom!

Here is the Good News! The Shepherd Center has allowed us to utilize their balcony & the adjoining inside room supplied with tables & chairs.

There will be food, good fellowship and door prizes!
